

1. Record Nr.	UNINA9910713707303321
Autore	Drost B. W.
Titolo	Conceptual model and numerical simulation of the ground-water-flow system in the unconsolidated sediments of Thurston County, Washington // by B.W. Drost, D.M. Ely and W.E. Lum, II
Pubbl/distr/stampa	Tacoma, Washington : , : U.S. Geological Survey, , 1999
Descrizione fisica	1 online resource (iv, 106 pages) : illustrations, color maps
Collana	Water-resources investigations report ; ; 99-4165
Soggetti	Groundwater flow - Washington (State) - Thurston County - Mathematical models Groundwater flow - Mathematical models Washington (State) Thurston County
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Chiefly tables. "Prepared in cooperation with the Thurston County Health Department."
Nota di bibliografia	Includes bibliographical references (pages 104-106).
