

1. Record Nr.	UNINA9910713905503321
Autore	Hamer Harold A.
Titolo	Effect of gravitational-model selection on accuracy of lunar orbit determination from short data arcs / / by Harold A. Hamer and Katherine G. Johnson
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, , March 1969
Descrizione fisica	1 online resource (39 pages) : illustrations
Collana	NASA technical note ; ; NASA TN D-5105
Soggetti	Artificial satellites - Moon - Orbits - Mathematical models Space trajectories - Mathematical models Artificial satellites - Orbits - Mathematical models Gravity - Mathematical models Moon Gravity Mathematical models Moon
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"March 1969."
Nota di bibliografia	Includes bibliographical references (pages 15-16).
