

1. Record Nr.	UNINA9910713979903321
Titolo	Cracking in the upper shell to transition cone girth weld of a steam generator at an operating pressurized water reactor
Pubbl/distr/stampa	Washington, D.C. : , : U.S. Nuclear Regulatory Commission, Office of Inspection and Enforcement, , 1982
Descrizione fisica	1 online resource
Collana	Information notice ; ; 82-37
Soggetti	Nuclear reactors - Welding Pressurized water reactors - Cracking Steam-boilers - Cracking
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"September 16, 1982."
