

1. Record Nr.	UNINA9910714093003321
Autore	Huck Friedrich O.
Titolo	Requirements of a Martian television experiment for three point-mass descent trajectories / / by Friedrich O. Huck, Leonard P. Kopia, and Robert B. Spiers, Jr
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, , February 1969
Descrizione fisica	1 online resource (36 pages) : illustrations
Collana	NASA technical note ; ; NASA TN D-5062
Soggetti	Television in astronautics - Mathematical models Television - Transmitters and transmission - Mathematical models Space vehicles - Landing - Equipment and supplies - Mathematical models Mars landing sites - Remote sensing - Equipment and supplies - Mathematical models Space trajectories - Mathematical models
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"February 1969."
Nota di bibliografia	Includes bibliographical references (page 18).
