Nota di bibliografia	Report includes bibliographical references.
Sommario/riassunto	This report highlights a series of Supreme Court rulings that have examined separation-of-powers-based limitations on the Exceptions Clause, congressional jurisdiction stripping, and the ability of Congress to amend laws with the purpose of directly impacting litigation. The Court's jurisprudence largely begins with the Reconstruction-era case, <i>United States v. Klein</i> , and leads to <i>Patchak v. Zinke</i> , from the October 2017 term.
