

1. Record Nr.	UNINA9910715223703321
Autore	Norbury John W.
Titolo	Double-differential FRaGmentation (DDFRG) models for proton and light ion production in high energy nuclear collisions valid for both small and large angles // John W. Norbury
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , May 2020
Descrizione fisica	1 online resource (xiii, 98 pages, 1 unnumbered page) : color illustrations
Collana	NASA/TP ; ; 2020-5001740
Soggetti	Protons Light ions Neutrons
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"May 2020."
Nota di bibliografia	Includes bibliographical references (pages 96-98).
