Sommario/riassunto	Pundits and commentators are constantly striving to understand the political behavior of Latinos-the largest minority in the United States and a key voting block. As Catherine E. Wilson makes clear in The Politics of Latino Faith , not only are Latinos a religious community, but their religious institutions, in particular faith-based organizations, inform daily life and politics in Latino communities to a considerable degree. Timely and discerning, The Politics of Latino Faith is a unique scholarly work that addresses this increasingly powerful political force. As Wilson shows, Latino religiou
