| Titolo                  | In the Senate of the United States. February 14, 1863. -- Ordered to be printed. Mr. Wilson, from the Committee on Military Affairs and the Militia, submitted the following report. The Committee on Military Affairs and the Militia, to whom was referred the petition of Dr. William T.G. Morton, asking compensation for the discovery and gift to his country and mankind of the application of ethereal vapor as a safe and practical anaesthesia, or pain-subduing agent, have had the same under consideration, and report. |
