Sommario/riassunto	<p>Pimsleur® equals success. Just one 30-minute lesson a day gets you speaking and understanding like no other program. Indonesian Phase 1, Units 11-15 build on material taught in prior units. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Each lesson contains practice for vocabulary introduced in previous lessons. The emphasis is on pronunciation and comprehension, and on learning to speak Indonesian. Reading Lessons begin in Unit 11 and provide you with an introduction to reading Indonesian. These lessons are designed to teach you to sound out words with correct pronunciation and accent. A Reading Booklet to be used with the audio lessons is also included in PDF format. This course teaches Standard Indonesian pronunciation as spoken in and around Jakarta. The first ten Units of Pimsleur's 30-Unit Indonesian Comprehensive Program, replaces the Compact Indonesian.</p>
