Sommarioriassunto

Dieses Inventar liefert erstmalig einen Nachweis über den Verbleib des Schriftgutes zentraler Behörden und Einrichtungen des NS-Staates in allen staatlichen Archiven. In Teil 1 ist das diesbezügliche Archivgut der zehn westdeutschen Länder und Berlin nach einheitlichen Gesichtspunkten erfaßt und beschrieben. Die Gliederung erfolgte nach Verwaltungs- bzw. Organisationseinheiten. Erweiterte Zugriffsmöglichkeiten bieten die getrennten Register für Sachbegriffe, Institutionen, Personen und geographische Begriffe.

This inventory furnishes for the first time the proof of the whereabouts of the records of central authorities and institutions of National Socialist Germany in all state archives. In part 1 the records of West Germany and Berlin regarding to this matter are recorded and described according to a special scheme. The material is structured in administrative and organizing units.

Sommario/riassunto

<P>A typical image of the making and administration of policy suggests that it takes place on an incremental basis, involving public servants, their ministers and, to a more limited extent, a variety of interest groups. Yet, much policy making is based on similar policy developed in other jurisdictions and in the major international organizations such as the WTO and the OECD. In other words, significant aspects of nationally developed policies are copied from elsewhere in what is described as a process of policy transfer and learning.</P><P>Hence, studies of policy transfer have pointed to a d
