Sommario/riassunto	In Gendering Bodies, Crawley, Foley and Shehan demonstrate how gendered messages about bodies and the social world shape our physical bodies and social selves. At work, in sports and during sex, gendered messages constantly organize our common, everyday settings through a feedback loop of confirmations and disruptions in everyday talk and interaction. This book is an accessible, yet comprehensive, theory of a sociology of the gendered body.

2. Record Nr.	UNINA9910716480703321
Titolo	Joseph Jameson. February 24, 1927. -- Committed to the Committee of the Whole House and ordered to be printed
