

1. Record Nr.	UNINA9910716554403321
Autore	Edwards John W.
Titolo	Analysis of an electrohydraulic aircraft control-surface servo and comparison with test results // by John W. Edwards
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, , August 1972
Descrizione fisica	1 online resource (72 pages) : illustrations
Collana	NASA/TN ; ; D-6928
Soggetti	Hydraulic equipment Control Airplanes - Hydraulic equipment - Mathematical models Airplanes - Control systems - Mathematical models Hydraulic servomechanisms - Mathematical models
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"August 1972."
Nota di bibliografia	Includes bibliographical references (page 40).
