

1. Record Nr.	UNINA9910716584803321
Autore	Montoya Earl J.
Titolo	Wind-tunnel calibration and requirements for in-flight use of fixed hemispherical head angle-of-attack and angle of sideslip sensors / / by Earl J. Montoya
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, , March 1973
Descrizione fisica	1 online resource (45 pages) : illustrations
Collana	NASA/TN ; ; D-6986
Soggetti	Wind tunnels Wind tunnel tests Detectors Aerodynamic measurements - Equipment and supplies - Calibration Detectors - Calibration
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"March 1973."
Nota di bibliografia	Includes bibliographical references (page 15).
