

1. Record Nr.	UNINA9910716640803321
Autore	Wilson John F.
Titolo	An automated program for reinforcement requirements for openings in cylindrical pressure vessels / / by John F. Wilson and John T. Taylor
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , January 1975
Descrizione fisica	1 online resource (47 pages) : illustrations
Collana	NASA/TM ; ; X-72648
Soggetti	Pressure vessels Penetration Reinforcement (structures)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"January 1975."
Nota di bibliografia	Includes bibliographical references (page 47).
