Soggetti	Canadian literature - History and criticism Literature and transnationalism
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Sommario/riassunto	The dismantling of "Understanding Canada"-an international program eliminated by Canada's Conservative government in 2012-posed a tremendous potential setback for Canadianists. Yet Canadian writers continue to be celebrated globally by popular and academic audiences alike. Twenty scholars speak to the government's diplomatic and economic about-face and its implications for representations of Canadian writing within and outside Canada's borders. The contributors to this volume remind us of the obstacles facing transnational intellectual exchange, but also salute scholars' persistence despite these obstacles. Beyond "Understanding Canada" is a timely, trenchant volume for students and scholars of Canadian literature and anyone seeking to understand how Canadian literature circulates in a transnational world. Contributors: Michael A. Bucknor, Daniel Coleman, Anne Collett, Pilar Cuder-Domínguez, Ana María Fraile-Marcos, Jeremy Haynes, Cristina Ivanovici, Milena Kalianin, Smaro Kamboureli, Katalin Kürtösi, Vesna Lopii, Belén Martín-Lucas, Claire Omhovère, Lucia Otrisalová, Don Sparling, Melissa Tanti, Christl Verduyn, Elizabeth Yeoman, Lorraine York

4. Record Nr.	UNINA9911038162603321

Sommario/riassunto	<DIV></DIV>Steeped in the brilliance of the banal and the daily splendours of language, Wedde presents a beautifully controlled and ordered sequence of verse in <I>Tendering: New Poems</I>. The book was written, he says, 'in the ghostly presence of my great grandfather Heinrich Augustus Wedde, the last ship-rig pilot on Wellington harbour'. Powerful visions of ships, the sea and of Pacific voyages of exploration pervade the collection, as does that mean city to where the ships return home.
