

1. Record Nr.	UNINA9910717012203321
Autore	Hinkley Jeffrey A.
Titolo	Delamination behavior of quasi-isotropic graphite epoxy laminates subjected to tension and torsion loads // J.A. Hinkley and T. K. O'Brien
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , January 1992
Descrizione fisica	1 online resource (approximately 18 pages) : illustrations
Collana	NASA/TM ; ; 104181
Soggetti	Laminates Torsion
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"AVSCOM-TR-91-B-018." "January 1992." "Paper presented at the American Helicopter Society Specialists' Meeting Williamsburg, Virginia, October 29, 1991."
Nota di bibliografia	Includes bibliographical references (page 8).
