

1. Record Nr.	UNINA9910717066003321
Autore	Reddy T. A.
Titolo	Simplified modeling of air flow dynamics in SSD radon mitigation systems for residences with gravel beds: project summary / / by T.A. Reddy [and four others]
Pubbl/distr/stampa	Research Triangle Park, NC : , : United States Environmental Protection Agency, Research and Development, Air and Energy Engineering Research Laboratory, , 1992
Descrizione fisica	1 online resource (6 pages) : illustrations
Soggetti	Radon - Safety measures Air flow - Mathematical models Radon mitigation Gravel
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"EPA/600/SR-92/090." "December 1992."
