Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	The beginning of the period that the author deals with was 1919 when the city was renamed by its Slovak name. In a concise form, it describes the turbulent events of the 20th century and the transition to the first years of the 21st century, in which complicated social processes faded after the gentle revolution in 1989. The individual stories relate mainly to the life of the citizens of Bratislava.
