Nota di contenuto	Contemporary Australian poetry - Australian literature - Suburban Australian literature City writing - Model theory - Australian Romanticism - Romantic irony - Spatial hermeneutics - David Malouf - Samuel Wagan Watson - Indigenous poetry - Aboriginal poetry - Brisbane writing - Place-making - Australian identity.
Sommario/riassunto	This book uses the model theory as a new way to approach Romanticism in contemporary Australian literature. It explores a model of Romantic irony in the poetry of two contemporary Brisbane poets: David Malouf and the Indigenous author Samuel Wagan Watson. The ironic dialectic is applied to the problem of postcolonial place-making in their work.
