Nota di contenuto	Introduction -- Modernization and Soviet success -- Institutions and the culture of progress -- Buryat exceptionalism and advancement -- Outline of chapters -- The Buryats of Siberia : from imperial Russia to the Soviet state -- Stalinism in Buryatia -- The new Buryats -- Education for change -- Buryat literature for a new society -- A means to modernity : newspapers, radio, and television -- Reform, but what kind? -- Conclusion.
Sommario/riassunto	The Buryats are a Mongolian population in Siberian Russia, the largest Indigenous minority. The Socialist Way of Life in Siberia presents the dramatic transformation in their everyday lives during the late twentieth century: challenges the common notion that the process of modernization during the later Soviet period created a Buryat national assertiveness rather than assimilation or support for the state.
