Collana	Coleccion Entre los libros de la buena memoria
Disciplina	261
Soggetti	Christian civilization
Lingua di pubblicazione	Spagnolo
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Pastoral Aborigen is a type of ecclesiastical indigenism with Christian roots and an ecumenical sense that, unlike other indigenist missions, did not seek to convert the indigenous people to Christianity, but rather to promote their development and contribute to their liberation. These missions were part of the conciliar renewal and were stressed between developmentalist precepts and leftist ideologies of the time.
