Disciplina	791.82
Soggetti	Bullfights Bullfighters
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Vaadivaasal is a masterful account not only of a traditional sport and the people who engaged in it, but also of the relations of power and how they played out in a bygone era. As a work that captures the tremors of a life-and-death battle between man and animal, it is an outstanding achievement in the annals of Tamil prose fiction.
