Soggetti	Social movements - India
Lingua di pubblicazione	Francese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	En Inde, le terme de Dalit est revendique par ceux que l'on denommait les Intouchables. Ils ont cree un mouvement d'emancipation qui connait en ses marges d'inquietantes crispations. En temoigne l'engagement d'une revue qui s'est attribuee en 1981 le titre de Dalit Voice, la Voix des Dalit. Militant contre le systeme de castes et pour l'egalite statutaire, cette revue, influente au sein de la petite elite issue des basses castes, constitue un exemple remarquable de la derive d'un discours de domines glissant vers la haine de l'Autre, et vers un fantasme de domination. In India, the term Dalit is claimed by those who were earlier called untouchables. They have created a movement of emancipation that reveals worrying tensions on its margins. The campaign of a journal that, in 1981, took on the title of Dalit Voice, bears testimony to this fact. Agitating against the caste system and for statutory equality, this journal, which is influential among the small elite originating from the lower castes, constitutes a remarkable example of the drift in the discourse of the oppressed towards a hatred of the Other and a fantasy of domination. By shedding light on this little-known face of contemporary India, this book makes a fundamental contribution to the understanding of the communal question in the subcontinent.
