Sommario/riassunto	The Edition of the Minutes of the Cabinet Meetings Figl I constitutes an important contribution to research on the early years of Austria's Second Republic and the reconstruction and renewal of the state and its political components after World War II. The minutes of the cabinet meetings have to be regarded as central source materials on this early and complex phase of the Second Republic. Volume 9 of the Edition encompasses the minutes of meeting No. 97 of January 27, 1948 to meeting No. 105 of March 23, 1948 as well as the accompanying minutes of the Wirtschaftliches Ministerkomitee from that period of time.
