Sommario/riassunto

Despite the common belief that they are found only in the common law tradition, trusts have long been known in mixed jurisdictions even where they have a civilian law of property. Trusts have now been introduced by legislation in a number of civilian jurisdictions, such as France and China. Other recent developments include the reception of foreign trusts through private international law in Italy and Switzerland and the inclusion of a chapter on trusts in Europe's Draft Common Frame of Reference. As a result, there is a growing interest in the ways in which the trust can be accommodated in civil law systems. This collection explores this question, as well as general issues such as the juridical nature of the trust, the role and qualifications of the trustee and particular developments in specific jurisdictions.

Sommario/riassunto	Polyvalente et moins couteuse que les autres medias, la radio a des qualites exceptionnelles qui font mentir ceux qui, depuis l'avenement de la television, predisent sa mort. Loin d'etre eclipsee par chacune des nouvelles technologies censees la remplacer, la radio s'affirme toujours comme etant le media de proximate par excellence tout en faisant desormais le tour de la planete mieux qu'aucun autre. Comment les journalistes peuvent-ils utiliser toutes les possibilites qu'offre la radio? Ce livre explore differents aspects du journalisme radiophonique et presente toutes les etapes de la construction de reportages radiophoniques de nouvelles ou d'affaires publiques. Il decrit methodiquement les regles de base et les procedures a suivre dans le respect des auditeurs et des regles deontologiques. Cet ouvrage permettra a toutes les personnes interessees par la radio, professionnels de l'audio, benevoles de radios communautaires ou etudiants en journalisme d'acquérir de solides connaissances ou de mettre a jour leurs competences tout en reflechissant a l'information

radiophonique.
