Note generali	"An international journal with a European focus"--Cover image. "Provides a comprehensive overview of inter-jurisdictional developments in the field of collective redress. It also covers non-legal issues relevant to mass claims, such as funding and economics. Contributors report on key European legislation and case law, but also pay close attention to relevant issues outside of Europe, including Australia, Canada, Israel and the United States. Covered jurisdictions are Austria, Belgium, Central and Eastern EU, England, France, Germany, Hungary, Ireland, Israel, Italy, Netherlands, Norway, Pan-EU, Portugal, Scotland, Spain, Sweden and Switzerland"-- Publisher's website.
