African American Females: Addressing Challenges and Nurturing the Sommario/riassunto Future illustrates that across education, health, and other areas of social life, opportunities are stratified along gender as well as race lines. The unequal distribution of wealth, power, and privilege between men and women intersects with race and class to create multiple levels of disadvantage. This book is one result of a unique forum intended to bring into focus the K-12 and postsecondary schooling issues and challenges affecting African American girls and women. Focusing on the historical antecedents of
