This book consists of updated and refreshed papers written by international law scholars and practitioners from the ASEAN region and published by the Journal of East Asia and International Law, comprehensively covering almost all contemporary international legal issues related to ASEAN. Legal analysis of the ASEAN integration as one community with one vision in this book provides readers with a better understanding of the current social climate and future developments of ASEAN. Each section within the book covers a highly topical issue on ASEAN cooperation and dispute resolution from an international law perspective. ASEAN is one of the biggest economic communities in the world and the ASEAN+3 covers nearly half of global GDP. Given the region's global impact, this book is of interest to Asia watchers, academics and policymakers alike.
