Sommario/riassunto	This book examines the pre-service teacher education policy development of seven countries, including the USA, the UK, Japan, Canada, Singapore, Australia, and Russia. This book reviews the history of pre-service teacher education policies in those countries and discusses relative case studies on pre-service teacher training

practices. It also identifies problems in current pre-service teacher education in those countries and proposes potential countermeasures to resolve those issues. This book serves as a useful reference for various stakeholders in the teacher education field.
