Autore	Randleman J. Bradley
Titolo	Refractive Surgery for High Myopia : Options and Special Considerations // edited by J. Bradley Randleman
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2023
ISBN	9783031405600
Edizione	[1st ed. 2023.]
Descrizione fisica	1 online resource (126 pages)
Collana	Essentials in Ophthalmology, , 2196-890X
Disciplina	617.755
Soggetti	Ophthalmology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Epidemiology of High Myopia -- Preoperative Evaluation For Refractive Surgery in Patients with High Myopia -- LASIK for High Myopia -- PRK for High Myopia -- SMILE for High Myopia -- Phakic Intraocular Lens (pIOL) in the Treatment of High Myopia -- Refractive Lens Exchange in High Myopia -- Future considerations for refractive correction in highly myopic patients -- Refractive Surgery for High Myopia: Case Section.
Sommario/riassunto	The incidence and prevalence of high myopia has increased significantly over the past decade and is expected to more than double over the next 20 years. These patients are more impacted by their vision than patients with lower refractive errors, and also have more limited safe and effective treatment options available to them. Fortunately, recent developments in the field have improved refractive surgery screening to improve safety, and new surgical options are now available specifically to address these more complex refractive errors. The book will address the unique challenges presented by patients with high myopia and cover the pros and cons of current treatment options. The book will also feature case studies, with detailed images and tables. In addition, the book will discuss promising future options currently in development. Refractive Surgery for High Myopia is a must-have resource for ophthalmologists, refractive surgeons, residents, and fellows.

Sommario/riassunto	<p>Matt Drake, broken by the murder of his loved ones, betrayal, and the threat to his friends, sets out to cancel the blood vendetta imposed by the underworld linchpin, the Blood King. Revenge, terrible and personal, drives Drake in his quest to stop the man who has become his nemesis. The mercenary, Boudreau, now in the hands of his enemies, sits stone-faced and unflinching as Hayden Jaye desperately tries to extract the information she needs to save the lives of hundreds. After several failed attempts, she becomes painfully aware that it's going to take extreme measures to make him talk. Meanwhile, the Blood King finally sets into motion his long-term plan to enter the Gates of Hell and finish something his idol, Captain Cook, could never do: discover the shocking secrets hidden within, while launching multiple terrorist attacks and an all-out war against the islands of Hawaii. With nothing more than an ancient map left behind by Captain Cook, Drake and his team must follow the Blood King through a deadly maze in the heart of a volcano. He risks everything to track down the most dangerous man of modern times and help unravel the mysteries surrounding the bones of Odin.</p>
