| Sommario/riassunto      | Behaviour problems are a significant cause of companion animal relinquishment and euthanasia. This book provides up to date information about animal behaviour as well as practical advice on how veterinary practice professionals can manage undesirable animal behaviour and give down to earth, appropriate and trusted advice to owners. This practical and accessible book gives all the essential information needed by veterinary professionals in order to advise clients on the behaviour and well-being of animals in their care. |
