Sommario/riassunto

Since the 1980s, globalization and neoliberalism have brought about a comprehensive restructuring of everyone's lives. People are being 'disciplined' by neoliberal economic agendas, 'transformed' by communication and information technology changes, global commodity chains and networks, and in the Global South in particular, destroyed livelihoods, debilitating impoverishment, disease pandemics, among other disastrous disruptions, are also globalization's legacy. This collection of geographical treatments of such a complex set of processes unearths the contradictions in the impa
