Sommario/riassunto	Caught up in current social changes, we do not fully understand the reshaping of social life. In sociological analyses there is a conceptual gap between subjectivities and social structural processes, and we face real difficulties in understanding social change and diversity. Through analysis of key areas of social life, here, Sarah Irwin develops a new and exciting resource for better understanding our changing social world. Breaking with conventional approaches and reconnecting the subjective with the objective, Irwin's book develops a new conceptual and
