Sommario/riassunto	U.S. Marine participation in World War I is known as a defining moment in the Marine Corps' great history. It is a story of exceptional heroism and significant operational achievements, along with lessons learned the hard way. The Marines entered World War I as a small force of seagoing light infantry that had rarely faced a well-armed enemy. On a single June day, in their initial assault ""through the wheat"" on Belleau Wood against German machine-guns and poison gas shells, the Marines suffered more casualties than they had experienced in all their previous 142 years. Yet at Belleau Wood, S

Sommario/riassunto	A follow-up volume to ""Managing Teaching and Learning in Further Education and Higher Education"", this text provides a guide to

managing quality and standards from the lecturer's point of view. It covers key issues such as teaching, learning, student support, assessment, evaluation, course design, bidding for and managing resources, marketing and research.; Based on the model of lecturer as reflective practitioner, this book is intended to help enable the lecturer to make sense of the changing climate of quality control and academic standards. Its interactive design introduces stimulating id
