Pubbl/distr/stampa	Verlag der Österreichischen Akademie der Wissenschaften, 202002
Descrizione fisica	1 online resource (558 Seiten)
Lingua di pubblicazione	Tedesco
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>The material legacy of Byzantine period from Ephesos includes, in addition to jewellery and dress accessories, liturgical artefacts, various instruments, tools and weapons, as well as small-scale implements including lighting devices, locks and keys.</p> <p>The declared aim of this study was a presentation of the Ephesian material as complete as possible including the manufacturing techniques and the material composition of individual objects. The interdisciplinary collaboration allowed to identify regional tendencies and local preferences as well as to compare the artefacts with other well-documented regions.</p> <p>Textband: https://e-book.fwf.ac.at/o:1415 Katalog- und Tafelband: https://e-book.fwf.ac.at/o:1416</p>
