Soggetti	Authors, Austrian - 20th century German literature - 20th century Austrian literature - 20th century Austria Civilization 20th century Germany Civilization 20th century Europe Civilization 20th century
Lingua di pubblicazione	Tedesco
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Collection of texts partly published previously.
Nota di bibliografia	Includes bibliographical references (pages 901-909) and index.
Sommario/riassunto	Robert Neumann (1897–1957, Austrian exiled author and Vice president of the PEN International, was even a disputatious antifascist political writer. His essays, his letters and biographical documents give a vivid portrait of the diversity of literary life in Germany and Austria (before 1933/after 1958) and of exile in England (1933–1958).
