US/Taliban Relations and the Intervention of Domestic Politics -- 5. The US and the Taliban Talk in Circles as the Bin Laden Threat Grows -- 6. Conclusion: One Last Chance.
Sommario/riassunto	This book tells the story of the United States' relationship with the Taliban from the start of the Taliban movement until its retreat from Kabul in the face of the US invasion of Afghanistan in 2001. The US and

the Taliban held countless meetings, but could never come to a workable arrangement, and this book examines both why diplomatic recognition was so important to the Taliban government and why the US refused to recognize it. It presents a concise, readable, and interesting perspective on US/Taliban relations from the fall of Kabul in 1996 until the fall of Kabul in 2001. Jonathan Cristol is Research Fellow in the Levermore Global Scholars Program at Adelphi University, USA, and Senior Fellow at the Center for Civic Engagement at Bard College, USA.

Note generali	First published in 1983 by Routledge and Kegan Paul.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	1. Marxism and parliamentary democracy -- 2. Democracy and parliamentary democratic politics -- 3. The Labour Party and socialist strategy -- 4. Problems of political support.
Sommario/riassunto	First published in 1983, this book is concerned with the prospects for socialist politics in contemporary Britain, in particular with the limitations of political analysis produced both by Marxist socialism and the non-Marxist socialism of the Labour left. The author suggests ways in which socialist political analysis and strategic thinking should be reconstructed if socialism in Britain was to survive political as a force. The major Marxist debates on, and the limitations of, socialist politics

under conditions of parliamentary democracy are examined, as well as what is involved in a politics of democratisation. The dominant forms of strategic thinking on the Labour left are also analysed.
