Voting Rights and Electoral System -- 8. Amending the State Constitution: Fundamental or Ordinary Law? -- 9. What Should Be Done? Consolidation and Beyond -- 10. Conclusion.
Sommario/riassunto	This book provides the first comprehensive introduction to, and enquiry into, the rules of Western Australia's (WA) system of government. The WA Constitution is not well known or understood or even easy to identify and this book provides an essential guide. It brings academic expertise and careful scholarship to the exploration of sometimes complex constitutional issues in a way that will be invaluable for those with specialist interest in constitutional law and government while also being engaging and accessible for a wider

audience. In doing so, it combines authorial expertise from constitutional law and political science — something essential to a well-rounded understanding of the simultaneously legal and political nature of a Constitution.
