Insecurity -- 5. Identity, Institutions and Networks -- 6. Strategies of Resistance -- 7. Conclusion: Where Do We Go from Here?.
Sommario/riassunto	This book provides an in-depth qualitative report on casualised academic staff in the UK, mapping shared experiences and strategies for resistance. Bringing together testimonial data spanning seven years, it offers evidence of how precarious labour conditions have persisted, shifted and intensified. The book will be a valuable resource for

students and scholars in the fields of education, human resources management, labour studies and sociology, as well as trade unionists and university policymakers.
