Precariousness: A Subject-oriented Approach -- Introduction -- Precariousness as the production of subjectivity -- The precarious subject as a self-entrepreneurial subject -- Precarious subjectivity and digitalization in the time of a pandemic -- Reclaiming bodies and social relations to resist precariousness -- Conclusion -- Note -- References -- 4 The Experience of Precariousness as Vulnerable Time -- Introduction -- The historical advent of the abstract time. The advent of powerless, accelerated and fragmentary temporality -- Precariousness as temporal vulnerability -- Precariousness and the extension of the present -- Frail future, vulnerable temporalities -- Conclusion -- Notes -- References -- PART II Class, Work and Employment -- 5 Above-Below, Inside-Outside: Precarity, Underclass and Social Exclusion in Demobilized Class Societies -- Introduction -- The fundamental concepts of exclusion and precarity -- Blind spots of theories of class -- Social exclusion -- Precarity -- On the political construction of new underclasses -- At the threshold of social respectability -- The formation of underclasses through devaluation -- Social exclusion: class-theoretical perspectives -- Competing classes -- Precarious full-employment society -- Requirements for a critical theory of precariat and underclass formation -- Note -- References -- 6 Class, Classification and Conjunctures: The Use of 'Precarity' in Social Research -- Introduction -- Precarity, classification and conjunctures -- Labour-capital relationships and the conjuncture -- Precarious conjunctures -- Conclusion -- Note -- References -- 7 The Problem with Precarity: Precarious Employment and Labour Markets -- The rise of precarity -- A parsimonious definition -- Precarious employment in selected OECD countries -- The political economy of labour markets -- Conclusion -- Notes -- References -- 8 The Social Foundations of Precarious Work: The Role of Unpaid Labour in the Family -- Introduction -- Moving 'work' beyond the inside and outside the market debate -- Unpaid in paid work: implications for the household -- Unpaid in paid work: implications for reproductive labour -- Conclusion -- Note -- References -- 9 Precariousness in the Platform Economy -- Introduction -- Employment relations in the platform economy -- The shifting of risks. Regulatory avoidance -- Fragmentation -- Earnings and economic security -- Precarious work or precarious workers -- Conclusion -- References -- 10 A Pandemic-related Turning Point: Precarious Work, Platforms and Utopian Energies -- The pandemic and outsourcing -- Digitalization, platforms and precarious work -- The halo of precariousness around digital technology -- New precarious subjectivations -- A precarious world? -- References -- PART III Experiences, Concretizations and Struggles -- 11 The Embodiment of Insecurity: How Precarious Labour Market Trajectories Affect Young Workers' Health and Wellbeing in Catalonia (Spain) -- Introduction -- Methodology -- Results -- Diversity of youth labour market trajectories and implications for health -- Explaining the relationship between precarity and young people's health -- Stable trajectories -- Precarious trajectories -- Conclusion -- Notes -- References -- 12 Precarity and Migration: Thai Wild Berry Pickers in Sweden -- Introduction -- Migration and precarity: structure, agency and time -- Precarity of Thai wild berry pickers in Sweden -- Precarious structures -- Precarious agency -- Precarity during COVID-19 -- COVID-19 and the wild berry industry -- Precarious conditions -- Conclusion -- References -- 13 Revisiting the Concept of Precarious Work in Times of COVID-19 -- Introduction -- A multidimensional approach to precarity -- Revisiting precarity in times of COVID-19 -- Health and safety at work -- Telework as a flexible work arrangement -- Precarity as a gendered

phenomenon -- Conclusion -- Note -- References -- 14 Precarious Workers and Precarity through the Lens of Social Movement Studies -- Introduction -- Looking for collective identities in precarious workers' movements -- The organizational features of precarious workers' movements.

The reinvention of public protest in precarious workers mobilizations -- Some reflections on platform labour -- Conclusion -- References -- 15 Organizing and Self-organized Precarious Workers: The Experience of Britain -- Introduction -- Dimensions of precarious work -- Strategies of trade unions and social actors -- Case studies of struggles -- Women carers: low pay, precarious livelihoods -- Cleaners: the dirty work of neoliberalism -- Inhospitable workplaces in the 'hospitality' sector -- The Sports Direct warehouse: hyper-flexibility through agencies -- Lessons and reflections -- Notes -- References -- 16 Afterword: A Pandemic of Precarity -- Ecological strains -- Neoliberalism in question? -- A digital future? -- Precarious agency? -- Conclusion -- References -- Index -- Back Cover.

Sommario/riassunto

The words 'precarity' and 'precariousness' are widely used when discussing work, social conditions and experiences. However, there is no consensus on their meaning or how best to use them to explore social changes. This book shows how scholars have mapped out these notions, offering substantive analyses of issues such as the relationships between precariousness, debt, migration, health and workers' mobilisations, and how these relationships have changed in the context of COVID-19.
