Policy-based differentiation -- Part 4. Territorial differentiation -- Part 5. Brexit -- Epilogue. Polycrisis and Resilience in the European Union: Covid-19 and avenues for future studies / Marianne Riddervold, Akasemi Newsome and Jarle Trondal.
Sommario/riassunto	This Routledge handbook offers a collection of chapters reflecting on the causes and consequences of the complex phenomenon of differentiation in the EU. With contributions from key experts in this subfield of European Studies, it will become a key volume used for those interested in learning the nuts and bolts of differentiation as a mechanism of (dis)integration in the European Union, especially in the light of Brexit.
