Nota di contenuto	History of Antisemitism in Poland - Judeophobia - Historical events in Europe - Holocaust - Trauma - History of Persecutions.
Sommario/riassunto	This book is the first monograph that provides a wholesome overview of the history of Antisemitism in Poland. The author critically analyzes the Polish manifestation of the gruesome phenomenon against the backdrop of historical events in all Europe, as she traces the formation of the ideology and its difference from Judeophobia. A special notion requires the author's meticulousness in research of the archives referring to the Catholic Church and folk culture. Most importantly, she does not end with the historical perspective but uses her studies to shed light on the events permeating in the thirty years of the recent Polish history as an independent country.
