Descrizione fisica	1 online resource (258 pages)
Collana	Routledge Studies in Contemporary Philosophy
Disciplina	155.25
Soggetti	Autonomy (Psychology) Equality Agent (Philosophy)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Cover -- Endorsements -- Half Title -- Series Page -- Title Page -- Copyright Page -- Table of Contents -- Preface and Acknowledgments -- 1. Introduction: A Relational Turn in Political Philosophy -- 2. Relational Equality and the Debate Between Externalist and Internalist Theories of Relational Autonomy -- 3. Could Friends of Relational Autonomy be Relational Sufficientarians Rather than Relational Egalitarians? -- 4. The Wrongs of Relational Inequalities -- 5. Relational Autonomy, Equality, and Self-Respect -- 6. Autonomy, Relational Egalitarianism, and Indignation -- 7. Regarding Oneself as an Equal -- 8. How Being Better Off Is Bad for You: Implications for Distribution, Relational Equality, and an Egalitarian Ethos -- 9. Microaggressions: A Relational Analysis of Harm -- 10. Musical Performance as a Route to Relational Autonomy and Social Equality -- Contributors -- Index.
Sommario/riassunto	"This book draws connections and explores important questions at the intersection of the debates about relational autonomy and relational equality. Although these two research areas share several common assumptions and concerns, their connections have not been systematically explored. The essays in this volume address theoretical questions at the intersection of relational theories of autonomy and

equality and also consider how these theoretical considerations play out in real-world contexts. Several chapters explore possible conceptual links between relational autonomy and equality by considering the role of values-such as agency, non-domination, and self-respect-to which both relational autonomy theorists and relational egalitarians are committed. Others reflect on how debates about autonomy and equality can clarify our thinking about oppression based on race and gender, and how such oppression affects interpersonal relationships. *Autonomy and Equality: Relational Approaches* is the first book to specifically address the relationship between these two research areas. It will be of interest to scholars and graduate students working in social and political philosophy, moral philosophy, and feminist philosophy"--
