teleological principle -- Part VI Inédits / Unpublished Texts -- L'
ouverture du colloque sur l'inconscient (Bonneval) -- Lettre à Paul
Ricoeur -- Postscript -- Une carte postale de Rosenzweig à Freud --
Subject index -- Name index

Sommario/riassunto

The contributions in this book address the relation between evil,
symbolism and psychoanalysis by focusing on the two works of Ricoeur
in which these topics play the most prominent role: The Symbolism of
Evil and Freud and Philosophy. Furthermore, the bilingual book
includes contributions that examine the relation between evil,
symbolism and psychoanalysis in Ricoeur's work in a more general
fashion, by investigating his philosophy as a whole. It brings together
both French and English chapters from leading Ricoeur scholars from
over the world. The international multilingual perspective reflects
Ricoeur's spirit who said that when he worked on a book, all of the
others were simultaneously open on his writing table. It is a
groundbreaking work to those interested in Ricoeur, Freud and religion.
