Nota di contenuto	Introduction -- Approach, data and method -- The time penalty of parenthood -- Gender equivalence or hidden inequity? -- Protecting parental time with kids? -- Earning capacity versus caring capacity -- Cross-national comparison of the impact of children on adult time.
Sommario/riassunto	In this timely book, Lyn Craig employs large-scale quantitative time-use data to provide a unique and comprehensive account of how parenthood affects daily life within households. Suggesting an explanation for why fertility rates are dramatically dropping, this book makes a significant contribution to the debate on contemporary motherhood.
