Note generali	"A Lucky Duck book." Originally published in Australia as Values for life upper level primary series one 2002.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Cover; Contents; Foreword; Introduction; Protective Factors Enhancing Resilience; Curriculum Links; Story Values and Outcomes; Structure of the Programme; Focus Values; Chapter 1 - Consideration; Chapter 2 - Friendliness; Chapter 3 - Honesty; Chapter 4 - Kindness; Chapter 5 - Responsibility; Chapter 6 - Tolerance; Chapter 7 - Confidence; Chapter 8 - Respect; Chapter 9 - Courage; Chapter 10 - Determination; Chapter 11 - Caring; Chapter 12 - Assertiveness; Bibliography; Worksheets
Sommario/riassunto	Includes CD-Rom The four books in the series provide a whole-school value based programme for young people from five to twelve years of age. They help in the creation of wellbeing and resilience in students by introducing and developing a range of values and behaviours that will assist with social and emotional health. The series is well differentiated for the target age group and each volume follows a similar format: ointroduction; oguidance on how to use the

materials; olinks to curriculum areas; ocomprehensive teacher notes on each th

Sommario/riassunto	Fascinating in its combination of personal stories and analytical insights, Some Trouble with Cows will help students of conflict understand how a seemingly irrational and archaic riot becomes a means for renegotiating the distribution of power and rights in a small community. Using first-person accounts of Hindus and Muslims in a remote Bangladeshi village, Beth Roy evocatively describes and analyzes a large-scale riot that profoundly altered life in the area in the 1950's. She provides a rare glimpse into the hearts and minds of the participants and their families, while touching on a range of broader

issues that are vital to the sociology of communities in conflict: the changing meaning of community; the impact of the state on local society; the nature of memory; and the force of neighborly enmity in reshaping power relationships during periods of change. Roy's findings illustrate important theoretical issues in psychology and sociology, and her conclusions will greatly interest students of ethnic/race relations, conflict resolution, the sociology of violence, agrarian society, and South Asia.
