Sommario/riassunto	This introduction to meditation in education is written as a resource for class teachers and educators as a practical guide. Parents will also find it valuable, though its main focus is in using meditation in schools. The purpose of the book is to inspire and to provide concise, practical and general information, and techniques that can be considered and explored before introducing primary or secondary students to meditative experience. Meditation in schools covers such topics as: information on schools where meditation is practiced, and the perceived results issues and concerns involved with
