Sommario/riassunto

Among more than 102,000,000 blogs, a few stand out as influential, ground-breaking, and singularly successful. These thirty bloggers, who write about everything from business trends to parenting, have been featured in Wired magazine, Popular Science, and on CNN, NPR, MSNBC, and 20/20. In one-on-one conversations with Michael A. Banks, these innovative, creative thinkers have shared their tactics, their philosophies, what drives them, how they mine for subject matter, and their personal secrets for success. Come and learn from the masters.
