Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [283]-292) and index.
Sommario/riassunto	Daniels provides a collection of in-depth case studies of tested sustainable community programs and offers guidance to students regarding successful implementation strategies. He and his contributors look at a variety of sustainable community programs that have been successfully implemented in local communities. While most of these programs exist through government funding or regulation, one--"Food Gatherers"--Is a purely voluntary, non-profit program without any government funding.
