Sommario/riassunto A Los Angeles Times Bestseller. The most important development in American culture of the last two decades is the emergence of independent cinema as a viable alternative to Hollywood. Indeed, while Hollywood's studios devote much of their time and energy to churning out big-budget, star-studded event movies, a renegade independent cinema that challenges mainstream fare continues to flourish with strong critical support and loyal audiences. Cinema of Outsiders is the

first and only comprehensive chronicle of contemporary independent

movies from the late 1970's up to the present. From the hip...
